October 2026

Project Vision:

This application is an online coffee shop which provides a simple, user-friendly experience. We have all kinds of coffee beans, instant coffee and even brewing devices and coffee accessories like mugs. The platform will help customers make informed purchasing decisions and improve their coffee preparation experience.

Target Audience:

The target audience consists people who are interested in purchasing high-quality coffee online.

User Stories:

1. As a site member I can order my favorite coffee with special calibration for my home espresso machine.
2. As a site visitor I can post my opinion about the product and give them a rating.
3. As a site visitor, I want to view detailed product descriptions so that I can understand the characteristics of each coffee.
4. As a site visitor I can specify the exact weight of the coffee that I need.
5. As a site visitor, I want the website to ask about the properties of my machine in order to recommend me some certain products.
6. As a site admin, I want to add, edit and delete products so that I can maintain the online catalog.
7. As a site admin, I want to manage product prices so that the customers can see accurate information.
8. As a site admin, I want to view and manage customer orders so that the purchases can be processed effectively.

9. As a site admin, I want to manage customer reviews so that inappropriate or spam content can be handled correctly.
10. As a site member, I want to log in to my account so that I can access my personal information.
11. As a site member, I want to add coffee products to my shopping cart so that I can purchase them later.
12. As a site member, I want to compare different coffee products so that I can choose the one that best suits my preferences.
13. As a site member, I want to reorder a previously purchased coffee so that I can buy my favorite products more quickly.
14. As a site member, I want to track my order status so that I know when my coffee will arrive.
15. As a site member, I want to manage my saved delivery addresses so that checkout is faster.
16. As a site member, I want to reset my forgotten password so that I can regain access to my account.
17. As a site member, I want to track the status of my order so that I know when my coffee will arrive.
18. As a site admin, I want to create discount codes so that I can attract more customers.
19. As a site admin, I want to view my sale status so that I can understand which product perform the best.
20. As a site admin, I want to create coffee related blogs and post, delete or edit them in the website so that people can read them.
21. As a site visitor, I want to post comments in the blogs and rate them.
22. As a site member, I want to get notified about the new products.
